

St. Mary's Guild Worlingworth

The Guild meets monthly usually on the second Tuesday in member's homes.

It supports St. Mary's Church in a variety of ways, from decorating the church for festivals and special events to providing and serving refreshments, making posies for Mothering Sunday and fund raising.

Although it was a very dry early summer Open Gardens took place around the village including a few from Southolt in July and a successful Wedding Dress Exhibition took place in September inspired by Diana Totten a church member, two jumble sales and finally a festive coffee morning in December were held.

A jumble sale last Saturday (13th April) took place and future fundraising being planned for this year: a secondhand book and jigsaw sale first weekend of August, the return of Advent and Angel Festival Nov/ Dec.

I would like to thank villagers for their support and involvement over the past year and look forward to another year working together, the guild is a small friendly group and new members are always welcome.

Veronica Plowman. Guild Leader
